

BACK TO THE FUTURE

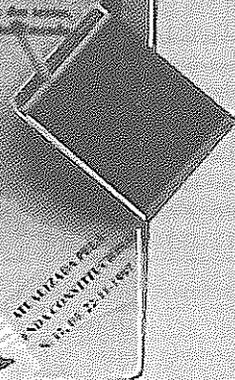

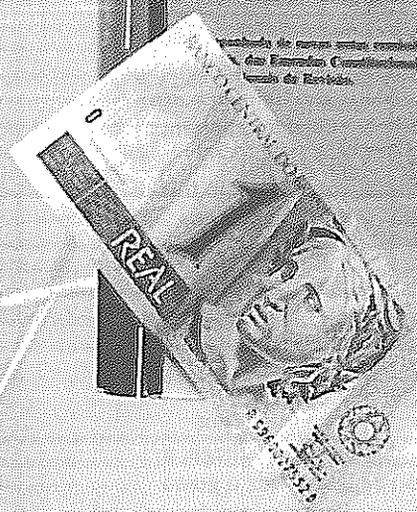

The first of the new films, 'Back to the Future', is a comedy that takes place in the 1950s. It is a story of a young man who travels back in time to the 1950s and meets his parents. The film is a classic time-travel story, but it is also a comedy that is full of humor and charm. The film is a great example of how to do a time-travel story right. It is a story that is both fun and meaningful, and it is a film that is sure to be a classic for years to come.
